## What will we do?

Your child's party will last 1.5 hours. You will have a host/hostess dedicated to your event who will greet your guests as they arrive and get the children started with a fun activity. Your host will seat the children and begin to take their orders. The adults will be able to have a dedicated register with a tab you pay and the end of the party OR each individual can be responsible for ordering their own meal at the front counter. Please notify host/hostess which option would work better for you.

- Guests will begin with a craft as children arrive
- Play Game #1
- Play Game #2
- Time to eat
- Bring out the cake, sing Happy Birthday, cut and enjoy!
- Parade through the restaurant wearing their birthday hats!!

**We highly recommend you open presents at home. After the parade the host/hostess will help you load presents into your car and finalize the birthday party bill.**

# Birthday Party FAQ's

**Q: How will the PlayPlace be decorated? Can I bring my own decorations as well?**

A: We will provide reserved table signs and balloons as centerpieces. You may bring additional decorations providing you will set them up and take them down. We reserve the right to refuse any decorations that may be offensive or damaging to our facility. (No tacks will be used) We ask that balloons be on weights.

**Q: Can I bring my own outside food?**

A: We can not allow any outside food other than the birthday cake. If you have any additional questions about this policy or would like us to consider an exception for your event, please email us at the address listed at the bottom of the page.

**Q: Can I reserve the entire PlayPlace for my event?**

A: We are happy to reserve the tables in the PlayPlace for your family and guests, but the PlayPlace will remain open to everyone during your event. However, each child attending your party will be given a name badge upon entry to ensure that only your guests are participating in birthday festivities.

**Q: Can I open presents on site?**

A: We highly recommend you do not open your presents at McDonald's as we cannot be responsible for damage or loss of your gifts. If you still decide to open gifts it will need to take place following your party.

**Q: Can I select the party favors that are included in the goody bags?**

A: We have a variety of favors that are carefully selected to ensure they are safe and fun for most ages. Our favors change randomly and a preferred item cannot always be guaranteed in stock. You can however, add your own favors to our goody bags if you wish. Our bags contain 3 party favors and any additional items you choose to add should be given to the host/hostess when you first arrive.

**We are looking forward to hosting your event.  
Thank you for choosing our McDonald's!**
